15.3 Enforcement

If any legal action is brought to enforce these Provider Terms, the prevailing party will be entitled to reimbursement of its attorneys' fees, court costs, and other collection expenses, in addition to any other relief it may receive from the other party; provided, however, that such recovery is to be proportional to the number of claims on which the party actually prevailed in relation to the total amount of claims alleged, pursued, or brought by that party.

15.4 Force Majeure

Except for any payment obligations, neither you nor MinionLogic will be liable for failure to perform any obligation under these Minion Provider's Terms to the extent such failure is caused by a force majeure event (including acts of God, natural disasters, war, civil disturbance, action by governmental entity, strike and other causes beyond the party's reasonable control). 15.5 Waiver

The failure of either party to insist upon or enforce strict performance of any of the provisions of these Minion Provider's Terms or to exercise any rights or remedies under these Minion Provider's Terms will not be construed as a waiver or relinquishment to any extent of such party's right to assert or rely upon any such provision, right or remedy in that or any other instance; rather, the same will remain in full force and effect.
